

Set in the 1970s, within the political context of the maelstrom caused by Michael Manley's attempted Democratic Socialism, *A Matter of Seasons* revolves around the visionary attempt to alter the destiny of Jamaica's historical trajectory, and the characters who occupy that stage in one way or another. Enter Doug Austin, the educated, idealistic, scion of a well-known family. Doug attempts to break with his family's plutocratic past and its own reverberations in his soul, by returning to Jamaica and throwing himself into the island's development as a teacher at a secondary school in the country. His original intentions and naive idealism are challenged by the politics of poverty, and ultimately broken by the immanence of insurmountable race and class questions and the tragedy which afflicts his family. Tragic but touching, comic and suspenseful, *A Matter of Seasons* is of immense relevance to Jamaica's ongoing dilemmas.

Secrets Past (Mists of the Fae Book 2), How To Think Straight About Psychology 9th (Ninth) Edition by Stanovich, Mean: A Psychological Thriller Novelette, How to Speak: Exercises in Voice Culture and Articulation, Voyage en Italie (1812) (Literature) (French Edition), The Miracle Ship: Conversations with John Gillespie, California Probate Code 2003, Buon Appetito Your Holiness: The Secrets of the Papal Table,

Twigs crunched under Nikos's feet as he made his way to the border. All around him were the signs of summer: chirping birds, bright sun. *Dark Matter* is a Canadian science fiction series created by Joseph Mallozzi and Paul Mullie, based on their comic book of the same name and developed by Prodigy Pictures in association with Space channel.
