

A Vampire In Chains Held captive in a basement prison, wrapped in silver chains, the vampire Gideon is too weak to fight the monster who enslaves him. For years, she's tapped his precious blood like a fountain of youth--sustaining him with human females she captures for his pleasure. But with the latest victim she brings him, he senses something intriguingly different. Something dangerous, yet oh so tempting. Kay Alissano is no ordinary woman. Every full moon, she must answer the call of the wild--unleashing the wolf within. As daughter of the Shadow Packs Alpha, Kay is extremely powerful--and when she's offered up to Gideon, she doesn't surrender easily. In wolf form, she might be able to unchain Gideon's heart and set them both free--if only he can resist the urge to consume her, body and soul, before the next full moon. . . Ashley is a master storyteller. --Romantic Times A classic vampire tale of sensual, spine-tingling suspense. --Christine Feehan on Desire After Dark A master of her craft. --Maggie Shayne
