

The only book about hair health and essential oils you will ever need. Do you have hair health problems? Do you have a flaky scalp or dry and brittle hair? Is your hair oily or frizzy? Are you experiencing accelerated hair loss? This book will solve all these problems and improve your hair health in the most natural way. As a woman, having beautiful and healthy hair is paramount for me, my looks and self-confidence. I used to have messy, oily and very, very weak hair. My hair was in terrible condition and I could not find the cause for it. I tried to maintain it and take proper care of it but alas, the problems persisted. I was even more persistent. I researched thoroughly for years for all the causes that made my hair unhealthy â€œ you would be surprised with some of my findings! Not many people realize that such problems can be caused even by daily activities such as shampooing, hair drying and eve combing and more. I became an expert on healthy living, hair health included, and I am proud to say this is my profession now. Through my meticulous research I found that the best and most natural way to cure any hair condition is through the use of essential oils. I have laid all my years of research into this easy-to-read book that can help YOU as well. I will teach you: What are essential oils and how can these help improve the appearance and condition of your hair All about hair health Guidelines in mixing and using essential oils for hair The top essential oils and how each specific oil helps your hair The essential oils that will cure dry hair The essential oils that will prevent hair loss The essential oils to combat oily hair The essential oils to use for brittle hair The essential oils to cure a flaky scalp Guidelines to diluting essential oils the easiest way, safety standards and precautions You can cure all your hair health problems with the use of essential oils too! I guarantee, there is no hair condition that cannot be treated with essential oils. Are you ready to bring your hair to a perfect condition and cure all your hair health problems in a natural way? Simply scroll up and hit that buy button! You are a click away from having the healthy hair you want and deserve!
