Then Our Stress-Relief, Relaxation, Meditation and Creative 50 Flowers Coloring Book Design is For You. NB: Contains 50 original designs, printed on one side of the pages only (so you can use markers if you like). How does coloring help stress for adults? It's been scientifically proven to have a calming effect and help you take your attention away from your problems since it requires the use of both sides of the brain causing neurons to reinforce their connections between both sides while shutting down the frontal lobe which controls organization. Neuroscience has proven that when we stimulate this area of our brain to produce positive feelings, it can literally rewire our brains. This helps to reduce stress and anxiety after a long, hard day work and coloring has also been shown to increase creativity. Are you ready to unwind with one of the most common easing methods available: Adult Coloring? Release Your Creative Side Now. Get Your Copy Now While.
