

La prima guerra mondiale è scoppiata in tutta la sua tragicità ed ha coinvolto le povere famiglie contadine che vivono lungo le rive del Piave. Quando, in seguito alla disfatta di Caporetto, gli Austriaci invadono le zone alla sinistra del fiume, per gli abitanti la vita diventa ancora più difficile. In una delle tante famiglie abitano Martina e Tonin. Essi hanno salvato un eroico paracadutista italiano, rimasto ferito gravemente, che rivela loro un segreto. Devono assolutamente informare il comando italiano della presenza di una fabbrica austriaca che produce gas venefici. La vita di molte persone dipende dal loro coraggio. Si buttano nell'€TMavventura con spericolatezza giovanile e alla fine... beh, la fine non si rivela mai!
