

Zoe Valdes, La reconocida escritora cubana, traza una apasionada declaracion contra el regimen comunista cubano . . . Un retrato de Fidel Castro contado desde su punto de vista desenfadado y tenaz. A veces pienso que todo esto ha sido una pesadilla, o una pelicula mala, o una novela mediocre, o una pesima telenovela, un chiste pesado. Asi comienza La ficcion Fidel, el libro en el que la escritora exiliada expresa su rechazo al regimen de Fidel Castro, quien nos dice ha logrado hipnotizar tanto a amigos como a enemigos del regimen, manipulando y distorsionando la realidad. Fidel Castro ha sido el mas grande especialista de marketing que ha dado la historia contemporanea. Creo un producto "la revolucion" y todo el mundo se lo compro. Zoe Valdes es reconocida por su ficcion, la cual la ha consagrado internacionalmente. Sin embargo, en este nuevo libro la autora deja de lado todo componente ficticio para expresar fervientemente su repudio al regimen de Fidel Castro, combinando fluidamente diferentes generos (ensayo, historia, memoria) dentro de una obra totalmente original. Con entrevistas secretas, documentos ocultos y su propia experiencia profesional, Valdes devela un gobierno turbio, lleno de contradicciones, guiado por uno de los hombres mas manipuladores y carismaticos del mundo.
