

Newbery medalist Cynthia Voigt presents a rollicking mystery in three acts! Max's parents are missing. They are actors, and thus unpredictable, but sailing away, leaving Max with only a cryptic note, is unusual even for them. Did they intend to leave him behind? Have they been kidnapped? Until he can figure it out, Max feels it's safer to keep a low profile. Hiding out is no problem for a child of the theater. Max has played many roles, he can be whoever he needs to be to blend in. But finding a job is tricky, no matter what costume he dons. Ironically, it turns out Max has a talent for finding things. He finds a runaway child, a stray dog, a missing heirloom and a lost love. So is he a finder? A detective? No, it's more. Max finds a way to solve people's problems - he engineers better outcomes for them. He becomes Mister Max, Solutioneer. Now if only he could find a solution to his own problems.
