

On the Move presents a rich history of one of the key concepts of modern life: mobility. Increasing mobility has been a constant throughout the modern era, evident in mass car ownership, plane travel, and the rise of the Internet. Typically, people have equated increasing mobility with increasing freedom. However, as Cresswell shows, while mobility has certainly increased in modern times, attempts to control and restrict mobility are just as characteristic of modernity. Through a series of fascinating historical episodes Cresswell shows how mobility and its regulation have been central to the experience of modernity.

Come Viaggiare Da Soli: Manuale di Travel Coaching (Italian Edition), Chord Foundations: Guitar Science for JAZZ & BLUES - A new and modern approach to chord structure., The Future of Food Business: The Facts, The Impacts and The Acts, Clio among the Muses: Essays on History and the Humanities, A Peek Into the Mind of a Woman: A woman can be a creature of many things, I believe that God gave us many purposes in life., Narcotics Anonymous - 2008 publication., Along the Garden Path (Addison Erhard Series) (Volume 1),
