

Life on a river steamboat is not so romantic as some young people may imagine. There is hard work and plenty of it, and the remuneration is not of the best. But Randy Thompson wanted work and took what was offered. His success in the end was well deserved, and perhaps the lesson his doings teach will not be lost upon those who peruse these pages. It is better to do what one finds to do than to fold your hands and remain idle, and the idle boy is sure, sooner or later, to get into serious mischief. Horatio Alger, Jr. authored about seventy books. He was the son of a clergyman, graduated from Harvard. His stories are pure, inspiring and as endearing today as they were when first published.
