

There are a lot of ways to become wealthy. This book explores a lot of different ways that were used by the author to create wealth. In sharing his experiments with different asset classes and sharing the lessons he learned, the author hopes to help the reader understand how wealth can be created using different asset classes and how to protect yourself against the dangers inherent in investing in those classes.

Scrooge's Experiments with Wealth (Paperback) / Author: MR Scrooge ; ; Personal finance, Self-help & practical interests, Health, Home .

by Matt Powers After executing smart mortgage derivatives and diversifying high yield stocks, cash should start flowing freely, leaving the smart.

Given these money scripts Scrooge's behavior at the start of the book was perfectly logical. Dickens used ghosts to help Scrooge change his beliefs. Third, the twentieth century experiment of retirement for all is founded. I am a huge Disney fan and one of my favorite characters is Scrooge McDuck. This is the start of his thriftiness and the secret of his wealth. ... Like the Marshmallow experiment or test, that it is often called, of 40 years ago.

Studies show that as a person grows in wealth, they lose empathy for their fellow man. The study involved experiments in the real world as well as laboratory scenarios. This is the science behind Scrooge's transformation.

Income inequality makes the rich more Scrooge-like, study finds and experiments like the dictator game are imperfect tools to understand.
