

Blurb for ENEMIES OF SOCIETY series by John David
Episode Four - SEND IN THE SWORDS
Think not that I am come to send Peace on Earth: I came not to send peace, but a sword. For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter-in-law against her mother-in-law. And a man's foes shall be they of his own household. (Gospel according to St. Matthew, ch10 vv 34-36.)
But surely the peacemaker is always the good guy? Surely making peace is always good? Surely to create division must always be bad? Surely to create conflict must always be wrong? But can humanity make Peace with inhumanity? Can freedom make Peace with tyranny? Can truth make Peace with falsehood? Can good make Peace with bad? If the price of Peace is slavery, but the only alternative is extinction? What choice must the good guy make? To be the good guy, would you make Peace? Or would you Send in the Swords? Read SEND IN THE SWORDS, fourth episode of the ENEMIES OF SOCIETY series by John David, and decide. Would you be an Enemy of Society?
