

We were in a protected area. Theyâ€™d put a microphone and headset on Chris, and he just casually started talking, â€œHi; this is Chris Ericsson, and God told me to come down here and stop the hurricane. Iâ€™m gonna pray, and Godâ€™s gonna destroy the local CPS building; and then, after that, Iâ€™m gonna pray again, and the stormâ€™s gonna stop. Five minutes from now, the sun will be shining.â€• Heâ€™d brought along a leather Bible case, with the words Sic Semper Tyrannis! on the front. He made a point of saying, â€œThis is the Testament I always use, and I donâ€™t want to get it wet,â€• and showing the TV audience he was zipping the Testament up inside the case, and taking it with him. Next, he knelt in the protected area, and chanted the Gloria Patri in Aramaic. Then he asked God to, â€œManifest Thy power by destroying Thine enemies at CPS. We implore that Thou wouldst leave them neither root nor branch!â€• When he said that, we could hear the hum of a tornado â€œ theyâ€™re actually quite common during hurricanes. At Chrisâ€™s insistence, theyâ€™d put a camera just outside the CPS building â€œ but since it was only half a block away, we could see the building quite clearly. Looking back, I have trouble believing it all really happened. The funnel cloud was poised just off shore. Chris lifted both arms, looked upward, and cried out, â€œAnd now, Lord Jesus, that all Thine enemies at CPS may know that Thou hast sent me,â€• he paused, then shouted triumphantly, â€œBehold the mighty power of God!â€• No sooner had he spoken the words, than the funnel cloud dipped down, and lifted the entire CPS building off its foundation. Then the funnel lifted, and moved rapidly out to sea. Of course, we quickly lost sight of it â€œ but the weather radar tracked into the Gulf. This time, the funnel cloud traveled twenty-five miles, and deposited the debris in the open ocean. Unlike previous occasions, when CPS had been able to retrieve some of their stuff out of the harbor, this time they recovered nothing at all. Chris told the camera, â€œThatâ€™s only a foretaste of what awaits all CPS workers on judgment day!â€• Sic Semper Tyrannis is a memoir about a time, not so long past, when men were free, religious values were taken seriously. and parents were allowed to pass on the cultural heritage to their children without governmental interference. As David Selznick remarked concerning the Antebellum South, Look for it only in books, for it is no more than a dream remembered, a Civilization gone with the wind . . . This fictional account is the story of what might have been, had Christian parents possessed the courage of their convictions. It depicts the use of spanking and other types of physical correction, from the perspective of an adolescent boy. Twelve year old Billy Martin has been suddenly uprooted from the only home he knows, in liberal Stockholm, and sent to live with his eighteen year old brother, Bob, who has recently joined an ultra-conservative religious group in Idaho. Billy, a high-spirited youth, has been allowed to run at loose ends for his entire life, and has never experienced discipline of any kind. He now finds himself in a vastly different world. Bob immediately sets about bringing his kid brother into line, and giving him the â€œBiblical disciplineâ€• that he, and the other sect members, consider essential to proper child rearing. Billy strives to come to grips with the new reality. While the characters are wholly imaginary, the issues they confront are real, and threaten to undermine the very foundations of our civilization. This work does not contain any erotic material, but is a sobering assessment of todayâ€™s child rearing practices in the United States and Western Europe. This is the forty-first volume of a more extensive saga, which traces the course of Billy and his friends as they struggle through the years of adolescence, It should be required reading for every adolescent boy, his parents, and all those who seek to influence him.
