

Snow is falling. Snow is wonderful - for sledding, for skiing, and for building snowmen. But did you know that snow can actually keep things warm? Find out how snow help plants, animals, and people to survive. But when a blizzard blows, watch out! The snow that is so useful can be dangerous too. Franklyn M. Branley and Holly Keller team up for a fun and colorful exploration of the world of snow, including experiments and activities for cold winter days. A Lets Read and Find Out Science book, for Stage 1.
