

An indispensable handbook on all aspects of fatherhood during the first 12 months, by the author of *The Expectant Father*. The essential handbook for all things first-year father is now fully updated and revised. Not only will new dads get a month-by-month guide to their baby's development, men reading *The New Father* will learn how they change, grow, and develop over the first twelve months of fatherhood. In each chapter, Brott focuses on What's Going On with the Baby; What You're Going Through; What's Going On with Your Partner; You and Your Baby; Family Matters; and more. The latest research, as well as time-honored wisdom--and humor, thanks to New Yorker cartoons and Brott's light touch--make *The New Father* indispensable for the modern father who doesn't want to miss a moment of his child's first year. What's new? How technology is changing fatherhood; Changing definitions of fatherhood; Changes in the way society deals with dads--from changing tables in public men's rooms to workplace flexibility; Research proving that a father's love is just as important as a mother's; How being an involved dad rewires a man's brain; How changes in women's roles in the family affect dads and their roles; Special concerns for: young dads, older dads, at-home dads, unmarried dads, dads in same-sex couples, dads in blended families, dads of kids with special needs, and men who became dads with the help of technology; The special impact dads have on girls and boys; Specific strategies dads can use to get and stay involved in their children's lives; Updated resources for new fathers. Not to mention new research and information on: How to understand what your baby is telling you; Babies' amazing abilities; Baby massage--they love it!; The latest on vaccinations and healthcare; And much, much more.
