

The world of Mojahr is in turmoil! Gram continues telling the story she had begun from the previous night as told in *The Carpenters Daughter*. After escaping almost certain death at the McQuail Hills, Ellie and her friends Raen, Megs, Charlotte and Saran find themselves heading towards perilous waters. Their journey to and through Detante begins while The Demon of Pain plots his destiny. Ellie begins her quest for the nine elements as she learns more about her new summoning abilities. Ellie tries her best to not become completely overwhelmed. However, having her town completely destroyed by the Rocan Army, losing her family and the boy she loves to mysterious disappearances has begun to take their toll on her. Dragons, magic and war now dominate her world. The Demon of Pain lurks in the shadows as he quietly masses his army and continues the search for the Orb of Absolute Power. A Gambler, a Kitai and four angry sisters take center stage along with Ellie, Cain, Charlotte, Raen, Saran and Megs on this epic journey of discovery, magic, revelations and extremely difficult decisions. The elusive Counsel of 9, the Angelics and the Dragon Trials begin to add pressure to Ellie's quest. Can Ellie and her friends locate the nine elements before Vraken gains global control? Where is Cane? What is significant about Gram's apple pies? And for that matter, who is Gram? Can Morton offer any explanation to sudden change in events in the world of Mojahr? Who was the mysterious figure following Ellie and her friends after they left Spryte Lake? All of these questions and more will be answered in the *Tales of Mojahr: Book 2 The Nine Elements*.
