

Desde los principios de la humanidad, han sido muchos los sabios, científicos, neurologos y demas mentes brillantes que han intentado dar respuesta a uno de los mayores enigmas científicos de la historia: ¿En que piensan las mujeres? Por fin, tras largos años de meticulosos estudios, aqui estan todas las conclusiones. Quizas no se sorprenda... Imprescindible para todos quienes tienen, han tenido o tendrán algún tipo de relación con una mujer. Familiarícese con frases como: estaba de rebajas, no me pude resistir, mi amiga también se lo compro... **TODO LO QUE PIENSAN LAS MUJERES...**, es un nuevo título del mítico movimiento psicológico "write in white", creado por skinbombo creative factory, que marcará un antes y un después en la Historia de la Psicología mundial. Si Freud lo hubiera leído este libro, seguro hubiera montado una tienda de ropa o cambiado de profesión. Si usted es una persona de mente abierta, se cree medianamente inteligente y con gran sentido del humor, este libro es para usted o el perfecto regalo para gente como usted. ¿Cuando un libro, solo ha servido para leerlo? Este es un libro para quien no le gusta leer, para quien le gusta presumir que cada día se lee un libro, para quien aprovecha cualquier papel en blanco para tomar apuntes, para quien compra un libro porque la cubierta es del mismo color que el sillón o sencillamente necesita rellenar un hueco en su biblioteca.* * Podemos hacer la portada a juego del color de su mobiliario o de su pintura de la sala. From the humanity's principles, they have been many the sages, scientific, neurologists and brilliant other minds that you/they have tried to give answer to one of the scientific biggest enigmas in the history: Of what do the women think? Finally, after long years of meticulous studies, here all the conclusions are. Maybe it is not surprised... Indispensable for all who have, they have had or they will have some relationship type with a woman. Familiarize with sentences like: it was of discounts, I could not resist, my friend also bought it to him... **ALL THAT THE WOMEN THINK...**, it is a new one I title of the mythical movement psychological write in white, created by skinbombo creative factory that marked an ones and a later in the History of the world Psychology. If Freud had read it this book, insurance had mounted a clothing store or changed of profession. If you are a person of open mind, it feels fairly intelligent and with great sense of humor, this book is for you or the perfect gift for people as you. When a book, alone it has been good to read it? This is a book for who he doesn't like to read, for who he likes to show off that every day a book is read, for who takes advantage of any paper in target to take notes, for who buys a book because the cover is of the same color that the armchair or simply he/she needs to stuff a hole in its library.* * We can make the cover to game of the color of their furniture or of their painting of the room.
