

WBLK-FM began in 1964 as an urban contemporary station that primarily played R&B and soul. The station was founded by legendary Buffalo radio personality George Lorenz (Hound Dog), who had earlier championed rhythm-and-blues music on other area stations such as WXRA, WINE, WJLL, and WKBW. This volume reproduces many of its surveys from the 1971-1985 period. Like the other radio charts titles, my goal was to provide a convenient chronological compilation of weekly surveys with corrections of the considerable errors found in both the original sources and in translation to online sites. These radio charts “ which exist in the public domain “ can be found in a multitude of sources, including original published sheets distributed via retail outlets, mail inquiries, etc., notation of on-air broadcasts, back issues of area newspapers (where stations are located) and music trade periodicals, specialized reference books, and websites interested in historical documentation, most notably, Oldiesloun, musicradio77, and ARSA. I employed multiple sources in the compilation of each radio chart volume in order to provide the most accurate data possible.
